Hello and welcome to our July calendar!

What an exciting month June was with the official launch of Circle! The Circle team is now in place, and are enthusiastic about continuing the success of Circle in the borough.

To book on any of our events, discuss membership, or request a visit from our Skilled Practical Helpers, call the Circle team on 0800 112 3440 or 01706 751 165.

July is jam-packed with fun activities, including many heritage-themed events, such as the Blue Badge Guided Tours of Rochdale and Littleborough, the Freehold Mela, a performance about starting life in Britain, and our Circle on Tour trip to the historical city of York.

As well as this, we have some of our members' favourite events, along with a great selection of new ones suggested by the many people that we have met recently! There's definitely something for everyone this month!

Hot air ballooning

We have even had a request for hot air ballooning, which we hope to put on our August calendar! Please let us know if this is something you are interested in so that we can liaise with the activity providers.

Places are limited on some events, so booking is essential on 0800 112 3440 We look forward to meeting you!

The show is recorded at Media City, Salford Quays and Circle have tickets for an upcoming recording! You could be there to see Nick Hewer and Rachel Riley deal the numbers and letters which make up this well-loved puzzle game-show. At this recording Johnathan Edwards will be the guest Dictionary Corner host!

Come along and see if you can decipher the Countdown Conundrum!

For the first 500 members, annual membership is only £15 (£10 for newsletter by email), that's a whopping 50% discount!
